Charis Vavliaras

Web Developer

Web developer with a solid foundation in PHP, jQuery, HTML, and CSS. My Master's thesis focused on developing a ticketing system, showcasing my skills in back-end development and database management. I am currently expanding my knowledge by learning React, which has made me familiar with modern JavaScript frameworks and their applications. I am enthusiastic about expanding my programming skills and am always eager to take on new challenges and opportunities for growth.

Technical Skills

◎ PHP

◎ Javascript/ jQuery/ React.js

◎ HTML5/ Bootstrap

◎ CSS3

◎ Git

◎ SQL

Soft Skills

◎ Communication

◎ Team work

◎ Time management

◎ Problem Solving

Certifications

Pearson Edexcel level I Certificate in ESOL International (CEF B2)

Education

2017 - 2024

Master of Electrical and Computer Engineering
University of Western Macedonia, Greece
Graduation: July 2024

- Specialization in Computers and Electronics
- Master's Thesis: Developed an end to end ticketing system application using PHP, SQL and JavaScript.

Projects & Milestones

Ticketing System
Master's Thesis

- Developed an end-to-end ticketing system using PHP, SQL, jQuery, and Bootstrap.
- Enabled users to open and track tickets for issues within the university building.
- Created an admin interface for monitoring and resolving submitted tickets.
- Enhanced the efficiency of issue resolution and communication within the university's maintenance team.

Online Store with React
Portfolio

- Built an online store that users can add products to the cart, using React.
- Implemented a shopping cart feature allowing users to add products and view their cart and total cost.
- Utilized React Hooks to manage state and side effects efficiently.
- Demonstrated proficiency in React and modern front-end development techniques.

Personal Portfolio
Portfolio

- Created a personal portfolio website using React and React Router.
- Showcased my projects, and skills.
- Improved navigation and user experience through effective use of routing.
- Highlighted my proficiency in modern web development practices and tools.
